

ATS•US-2000 LBM

Label Banding Machine

Increase production time while reducing labor costs

- The **LBM** automatically pushes the product stack into the bander one row at a time
- Easy “touch-screen” programming
- Select the number of stacks and the number of bands for each stack, then press the start button
- Incorporates the dependable well-proven ATS•US-2000 Ultra-Sonic Banding Machine

- Ideal for products such as labels, tickets, tags and virtually any type of “cut” product
- Banding rate: Up to 25 bands per minute
- Band with paper, clear poly, or white foamed “ribbon-like” material
- Materials available in 20mm, 30mm & 50mm widths
